PROGRESS BULLETIN
GENERAL - NO. 25

NOVEMBER 22, 1937
NEW ALLOTMENTS

REA today announced the following allotments:

GEORGIA 8045 Sumter

Sumter County Elec. Mem. Corp., Americus, Georgia
(L. K. Luck, County Agent, representative)

Allotment of $72,000 to build 72 miles of line to serve 222 signed customers and an additional 27 potential customers in Sumter County. This allotment is contingent upon the project electing seven representatives from the new area to serve on the Board of Directors. The source of power will probably be the Georgia Power Company.

ILLINOIS 8021C Menard

Menard Electric Cooperative
A. E. Becker, Project Supt.
Petersburg, Illinois

Additional partial allotment of $50,000 to build 50 miles of line to serve 150 customers in Mason County. This will make a total of $325,000 allotted to this project. This allotment is contingent upon the election of three Board members from the new area to be served. The source of power is the Central Illinois Public Service Co.

MINNESOTA 8053W Waseca

Steele-Waseca Coop. Elec. Association, Waseca, Minn.
L. P. Zimmerman, Project Supt.

Allotment of $10,000 to provide for wiring and plumbing loans to approximately 100 customers. This cooperative has been allotted $470,000 for line construction.

MISSISSIPPI 8024B Lafayette

Northeast Miss. Elec. Power Association
Oxford, Mississippi
W. D. Hedleston, Project Supt.

Additional allotment of $10,000 to cover cost of additional mileage. A total of $110,000 has been allotted to this project to build 130 miles of line to serve 574 signed customers and an additional 360 potential customers in Marshall, Union, Pontotoc and Lafayette Counties. The source of power will be TVA.

MISSOURI 8024B Callaway

Callaway County Elec. Coop. Assn., Fulton, Missouri
James McClanahan, Supt.

Additional allotment of $16,000 to complete this project. This makes a total of $136,000 allotted to build 107 miles of line to serve 295 customers in Callaway County.

OKLAHOMA 8015 Tillman

Southwest Rural Elec. Coop.
Tipton, Oklahoma
(H. N. Seymour, President)

Partial allotment of $150,000 out of a total of $312,000 requested to build 323 miles of line to serve 889 signed customers and an additional 222 potential customers in Tillman, Jackson and Kiowa Counties. This allotment is made contingent on the election of at least seven representatives from the area to serve as the Board of Directors. The source of power will probably be the Altus Municipal Plant.

TEXAS 8061 Coleman

Coleman County Rural Elec. Coop. (to be formed)
Coleman, Texas
(A. W. Luckett, representative)

Partial allotment of $100,000 out of a total of $387,000 requested to build 412 miles of line to serve about 850 customers in Coleman, Brown and Callahan Counties. This allotment will skeletonize the project by building 100 miles of line, and is contingent upon the election of 7 persons to serve as the Board of Directors. The source of power will probably be the Coleman Municipal Plant.
